## COUNCIL ADOPTS BUDGET FOR '56; FIGURES CLOSE TO '55 LEVELS

Gettysburg borough council Monday evening at its meeting in the engine house tentatively adopted a budget calling for expenditure of \$125,000 during the coming year.

That amount is exactly the sum budgeted for last year. Final adoption of the budget will be made in March, providing a 30-day period during which residents of the community may study the proposed budget and make recommendations.

### MEMBERSHIP IN LENTZ POST OF LEGION NOW 690

No tax levy was set Monday night. Council will set the tax rate and adopt the budget in March.

**Follow '55 Figures Closely**

The 1956 budget, as did the 1955 budget, calls for expenditure of \$50,000 for highways; \$44,000 for safety and police; \$11,500 for fire; \$2,500 for health and mosquito eradication; \$11,000 for utilities and \$6,000, miscellaneous.

Last year the borough actually spent \$105,229.73, which was exactly \$534.05 less than the borough took in from taxes, parking meters, and other revenue sources. However the borough did not come that close to poverty during the year; it started with a balance of \$38,044.01 and during the year cashed a \$10,000 bond from its savings. As a result the town ended the year with a balance of \$48,578.06. A balance at the end of the year is sought by council because new year expenditures start months before the taxes begin to come into borough coffers.

Actual expenditures in 1955 were reported by the finance committee, headed by Mahlon P. Hartzell as \$41,006.51 for highways, \$36,758.65 for safety and police, \$11,058.07 for fire, \$734.49 for health, \$9,786.82 for utilities, and \$5,865.24 miscellaneous.

**To Buy Gas In Bulk**

Council hoped to effect a saving of "between \$900 and \$1,000" by deciding to purchase gasoline in bulk. Councilman C. Donald Rebert reported that the police car used 2,709 gallons of gasoline, the highway trucks 4,687 gallons and the fire trucks 1,910 gallons of gasoline during the past year. The 9,306 gallons of gasoline cost the borough \$2,801.91, Rebert said, "which comes out to a little over 30 cents a gallon."

His proposal, that contracts be made with gasoline companies to supply gasoline over a two-year period in bulk to a tank to be located at the borough highway shed, was adopted by council. Advertisements will be prepared asking bids from the various gasoline companies for the bulk gas. Through that method, Rebert said the gasoline can be bought at wholesale prices and in addition the town can "save the state tax on the gas."

### Report Town Hazards

The highway and safety committees were asked to study "hazardous" conditions at various intersections. Reports at the meeting showed councilmen considered traffic conditions hazardous at the intersection of N. Washington and W. Lincoln Ave. There was discussion of extending yellow lines to prevent parking "too close" to the intersection, and a letter was read, signed by Dr. Robert Fortenbaugh as one of the interim committee governing Gettysburg College, suggesting that parking be banned on the south side of W. Lincoln Ave. to permit traffic to proceed "with more ease on the street."

Another area for consideration by the committees will be the crossing at W. Middle and West, which was described as hazardous to youngsters seeking to cross it enroute to school. The two committees were also asked to consider the possibility of placing parking meters on E. Middle St. and report its recommendation at the March meeting.

## NAME FOUR TO ASSISTANCE BD.

Appointment of two new members and reappointment of two incumbents to the Adams County Board of Assistance was announced by Gov. George M. Leader on Monday.

The appointments, sent to the Senate for confirmation were: Miss Sylvia E. Klunk, Democrat, of New Oxford, to serve until Dec. 31, 1957, succeeding Mrs. Vivian M. Hamm, New Oxford, who resigned. Allen Stauffer, Republican, Biglerville, to serve until Dec. 31, 1958, succeeding Leslie V. Stock, whose term expired.

Reappointed were Mrs. Katharine Herter, Gettysburg, and William M. Weidner, York Springs, both Democrats, to terms expiring Dec. 31, 1958.

## National Nothing Week Declared

BIRMINGHAM, Ala. (AP) — Mayor James W. Morgan has declared Feb. 26-March 3 National Nothing Week for Birmingham.

"National Gold Plated Diaper Pin Week," the mayor groaned. "National Pickle Ware Week, National Kidney Plaster Week, ad infinitum."

He invited all Birmingham citizens during National Nothing Week "to participate in nothing but full and complete enjoyment" of a week free of discord.

## MEMBERSHIP IN LENTZ POST OF LEGION NOW 690

Membership in the Albert J. Lentz Post of the American Legion now totals 690, Commander Richard Fox announced Monday evening at a meeting in the post home, Baltimore St.

Eight new members were accepted: Lawrence I. Hall Jr., Biglerville R. 2; Lawrence F. Harbaugh, 243 N. Stratton St.; Gerald B. Sanders, Waynesboro; Francis L. Curley, Gettysburg R. 3; Robert T. McClarin Jr., Carlisle St.; Ira S. Rion Jr., Chambersburg St.; John R. Stewart, Chambersburg St., and John K. Reich, W. Middle St. The membership of John J. Miller was transferred to the Waynesboro Legion post.

Members in the state American Legion now total 185,000. Adjutant William T. Timmins Jr. told the group. The state goal is 282,000 members by March 31, he said.

**To Help Cancer Society**

The post agreed to aid the Cancer Society program following a report that the state American Legion is seeking such cooperation by all posts with the cancer program.

Plans for the annual state convention to be held at Philadelphia July 18 through 21 were read. An invitation was received from York Post 127 for representatives from the local post and auxiliary to attend a dinner and dance for National Commander Addington J. Wagner and State Commander John Stay at York April 13. The local post planned to have representatives present, but final selection of the men was not made at Monday's meeting.

Plans to observe the 37th anniversary of the founding of the American Legion March 15 to 17 were discussed.

Members were urged to study and let their wishes be known on House of Representatives Bill 7866 which would change the pensions for disabled and aged veterans.

## CARPET CONTEST IS OPENED HERE

Prizes for Lees "Heavenly Carpet Contest," sponsored locally by Raymond's Home Furnishings, Lincoln Square, are 20 one-week vacations in Mexico for the national winners. Winner in the local contest will receive a 9x12 Honeymoon carpet.

The 20 winners of the contest will fly to Mexico City via American Airlines. They will stay for seven days at the Hotel Reforma, which boasts "ultra-modern accommodations combined with Mexican charm." While vacationing at the Reforma, the 20 winners will be guests of the hotel at a nightclub for an evening of entertainment.

To participate in the contest, contestants will choose one of the three Honeymoon carpets on display at Raymond's Home Furnishings and tell in 25 words or less why they chose that particular carpet.

## Countain Jailed On Fraud, Check Counts

Charles Flory, 23, Littlestown, was arrested Monday evening by Littlestown Police Chief Charles R. Everhart Jr. on charges of forgery, cheating by false pretense and issuing worthless checks filed before Justice of the Peace L. Loy Lindaman, Littlestown. In default of \$2,500 bail he was committed to the Adams County jail.

Sheriff Dorsey J. Schultz said Flory at the time was on parole to pay costs after serving time on a prior charge of forgery. He is alleged to have signed a false name to get temporary license plates and issuing a worthless check to get a car.

### ON DEAN'S LIST

Harold Douglas Cluck, a member of the second year class at Massachusetts Institute of Technology, Cambridge, Mass., has returned to school after spending eight days with his parents, Mr. and Mrs. H. Wayne Cluck, Biglerville R. 2. Cluck again has been named to the dean's list at the institute.

### FILES FOR DIVORCE

David E. Coppersmith, Hanover, has filed suit for divorce from Rosabelle Coppersmith, R. 5, in York.

## Dr. Helen B. Taussig Lauds "Team Work" In Fight Against Heart Ills; Award For Rev. Held

Dr. Raymond F. Sheely (left) is shown presenting the Benjamin Rush Award to the Rev. Charles E. Held, Mt. Joy Lutheran pastor and heart fund campaign manager, Monday evening at the high school. (Times Photo)

Describing herself as a "parlor surgeon," Dr. Helen B. Taussig, who has headed the heart clinic for children at Johns Hopkins University in Baltimore for more than a quarter century, gave a first-hand account of the dramatic story of pioneer cardiac surgery there in the last 20 years in a talk in the Gettysburg High School auditorium Monday evening.

Dr. Taussig was the speaker for the second annual public education lecture arranged by the Adams County Heart Association in connection with its current campaign for \$3,750 for research and community services.

The address followed a joint service clubs dinner in the school cafeteria where the Rev. Charles E. Held, Mt. Joy Lutheran pastor and campaign manager for the heart fund in the county, was presented with the Benjamin Rush award "for outstanding health services in 1955."

**Voted By Medical Society**

The award, voted by the Adams County Medical Society, was presented by Dr. Raymond F. Sheely, vice president of the county heart organization, who later introduced Dr. Taussig to the audience. The Rev. Mr. Held was one of the organizers of the county heart association seven years ago and has managed each of its fund drives since. He was master of ceremonies for the program in the auditorium attended by about 400. Approximately 250 attended the dinner.

Dr. Taussig, pointing to the slogan of the American Heart Association of "education, research and community services," expressed the

## POST BAIL FOR COURT MONDAY

The three young men with stolen hub caps in their car, who sought to outrun local state police Saturday morning at four o'clock on the Gettysburg-Littlestown road, signed no contest pleas before Justice of the Peace Robert P. Snyder at a hearing Monday night. The trio were charged with larceny by state police.

The youths furnished \$500 bail each to appear before the Adams County Court Monday.

Lowell Eugene Eisenhart, 18, Hanover, owner and operator of the car in which the three youths were riding, and Carroll Kern Reichart, 21, Hanover R. 3, had been held in the Adams County jail pending the Monday evening hearing.

The third youth, a 17-year-old juvenile, had been held in detention for action by the juvenile court. The court later certified the case back to Justice Snyder for action with the other two youths.

The youths admitted to police that they removed four of the hub caps from a car of William Kuhn, on Red Patch Ave., and the other hub caps from two Mercury cars at the Dave Oyer lot on Steinwehr Ave.

## Miss Catherine Gladhill, 15, Fairfield High Sophomore, Wins Cherry Pie Baking Award

Miss Catherine Gladhill, 15, Fairfield High School sophomore, is the winner of the Adams County cherry pie baking contest held in the Gettysburg High School home economics kitchen Monday night. Miss Gladhill was chosen from the eight homemaker contestants from county high schools.

Miss Gladhill, daughter of Mr. and Mrs. Paul Gladhill, Fairfield R. 1, has been a homemaker student for four years. Her teacher is Miss Marie M. Weissenfuh.

Miss Shirley Heller, 17, Biglerville High School senior, daughter of Mr. and Mrs. Elmer Heller, Biglerville R. 1, placed second. She has been a homemaker student for six years. Her teacher is Mrs. Mary A. Diehl.

The judges were: Mrs. Elizabeth Wible, home economist, Metropolitan Edison Co., York; Mrs. Clio Reinwald, chief of home economics education, State Department of Public Instruction; and J. Willis Beidler, food chemist for the C. H. Musselman Co.

**Award Each Contestant**

Prizes were awarded by William B. Lower, president of the Pennsylvania Red Cherry Growers Association.

## TOWN ASKS BIDS FOR NEW POLICE CAR AND TRUCK

Bids will be sought for a new police car and a new two-ton truck for the borough, town council decided at its meeting Monday evening at the engine house.

Reports at the meeting indicated both the police car and the Diamond T truck are "in bad shape." Council President H. M. Oyer said council will hold a special meeting if needed to open bids and buy a new police car, rather than "spend any money trying to keep the present car going."

The bids for the new truck chassis will also call for the placing of the present body on the Diamond T vehicle on the new chassis. Advertisements for bids for both vehicles are to appear within a few days.

### Ask Pay Raise For Staub

The annual report of the Board of Health was read, recommending the salary of Borough Health Officer Donald Staub be increased from \$600 a year to \$900 a year. It listed a \$1,000 budget, calling also for expenditure of \$50 for supplies and \$50 for the annual "Clean Up Week" campaign. In its report the health officer shows that he is in all respects deserving of a raise in salary.

Council took no immediate action on the salary raise proposal, but did reappoint Stover Small for another five-year term as a member of the health board as recommended by that board.

Arthur Buehler was renamed to another five-year term as a member of the school authority, on recommendation of the school board.

### Ordain Hartzell Alley

A suggested revision of the 1938 Sanitation ordinance to limit the size of containers holding wet garbage to 20 gallons, submitted by Councilman Harold Ecker for the Health Board, was turned back to Ecker, who was asked to "see what kind of ordinance is needed" and report back at the next meeting.

An ordinance setting up "Hartzell Alley," named for Councilman M. P. Hartzell, was approved.

The 12-foot alley will extend from the center of an alley south of E. Lincoln Ave. to Barlow St. Approval of the ordinance by the planning commission was read prior to the vote.

**Ordination of the alley was needed** before council could go ahead with plans to place approximately 1,000 feet of storm sewer through the alley area. Council also authorized the sewer construction on motion of Councilman John Millard. Borough Engineer LeRoy H. Winebrenner was instructed to begin the sewer construction "as soon the frost is out of the ground."

### Appoint Dr. Ewing

Approval was given to a plan submitted by Councilman Glenn Guise that 10 parking meters now available to the borough be used to replace ten meters which are not working properly. Those ten are to be sent back to the factory to be rebuilt and upon their return will replace ten others, which in turn will be sent back for rebuilding, continuing the plan until all improperly working meters have been replaced by rebuilt ones.

Dr. George Ewing was named to fill the vacancy on the town's Civil Service Board caused by the resignation of Dr. Joseph Baker.

Councilman Hartzell reported that a conference with Western Maryland officials indicated that they will cooperate to prevent blocking of crossings in Gettysburg by trains and possibly will move shifting operations to the west end of town to avoid blocking crossings. He added that a survey on Fourth St. showed much more traffic crossing there than railway officials had anticipated and that a meeting is to be held by railroad and council representatives on the possibility of placing a warning light at Fourth St. similar to those at the other street crossings.

**Crossing Blocked 30 Minutes**

Councilman Naugle told the group that he had timed a train across the Fourth St. crossing "two weeks ago" and that the crossing was blocked from 11:45 p.m. to 12:35 a.m.

Engineer Winebrenner was authorized to purchase two loads of tar, 20 stop signs, and a dozen each of 25-mile-per-hour and street identification signs. He was also authorized to get bids on painting street identification signs.

Council approved a Safety committee recommendation that four-way stop signs be placed at the intersections of the alleys at the rear of the Albert J. Lentz American Legion building, at the rear of the H. M. Oyer property, Baltimore St., and at the Wall St. and alley intersection and the placing of stop signs at Wainwright Ave. at its intersection with the alley at Bill's Diner and the school road.

### Okay School Lights

Council agreed to place street lights on the road from the High School to Keefeauver school and E. Confederate Ave., after receiving a request for such lights from the school board in which the school board said it would pay for the cost.

## President Gets Physical Feb. 14

WASHINGTON (AP) — Four doctors will complete a long-awaited physical examination of President Eisenhower a week from today. On the outcome could hinge his decision whether to seek re-election.

This will be the first full-scale medical checkup of the President since mid-December. It will come more than 4½ months after his heart attack last Sept. 24.

In announcing late yesterday that the physicians will conclude consultations Feb. 14, the White House said their findings may be made public the same day; certainly the next morning. Preliminary tests may start late this week.

The doctors expect the study to show how Eisenhower has borne up since returning Jan. 9 to what he termed "the full duty of the presidency."

## JOHN C. STAHL NEW PRESIDENT FOR CHEST HERE

John C. Stahl, Gettysburg R. D., who served as vice president and fund drive chairman for Community Chest last fall, was elected president of the Gettysburg Community Chest at the annual reorganization meeting Monday evening at the engine house.

LeRoy E. Smith was named vice president and fund drive chairman. Smith had served as an assistant drive chairman in the 1955 campaign. Donald Trone was named as treasurer and John Welsch, secretary.

Election of officers took place at a board meeting immediately after the annual membership meeting. Judge W. C. Sheely and Radford H. Lippy were re-elected to three-year terms as directors. Elected to three-year terms as directors were LeRoy Smith, Mrs. Stanley Hull, William Musser, Fred Bowersox and Miss N. Louise Ramer. Nicholas A. Meligakes was named to fill a one-year term as director filling out the vacancy caused by the resignation of Walter Meighan.

### Raised \$16,361.35

The report of Treasurer Trone showed \$16,361.35 was raised in the Community Chest Fund campaign. Some additional sums are anticipated.

Retiring President Attorney John A. MacPhail expressed the appreciation of the Chest to Stahl for his service as fund chairman. The 1955 campaign raised the largest sum in the last several years, in proportion to the amount sought, but was still short of its goal of \$19,700.

## BALLARD SALE BRINGS \$64,728

Mr. and Mrs. Stephen C. Ballard, Gettysburg R. 3, sold their farm, livestock, equipment and household goods for \$64,728.94 at a public sale Monday. The 194-acre farm with two sets of buildings was sold for \$39,000 to Mr. and Mrs. George W. Peaters, Annaville R. 2, Lebanon County.

Twenty-three head of grade and registered Angus cattle sold for \$125 to \$216 each. A Gurensen cow brought \$280.

Some prices on the farm equipment were: Caterpillar tractor, \$3,010; 1954 ½-ton truck, \$1,060. About 1,200 attended the sale in spite of the inclement weather.

Paul E. Sanger, auctioneer, said that most of the buyers were from Lebanon, Lancaster and Dauphin Counties. Lunch was served by the Ladies' Auxiliary of the Arendtsville Fire Company.

## Will Give Salk Vaccine Wednesday

The second in the series of clinics to give Salk polio vaccine inoculations will be held Wednesday evening at 6 o'clock at the clinic room in the Warner Hospital. Dr. C. G. Crist, Adams County medical director, announced today.

Last week approximately 100 received the shots at the first such clinic held in the county. The inoculations are given to children between the ages of 1 and 14, with the free vaccine going to those designated as hardship cases.

### 5 ESCAPE INJURY

Five occupants escaped injury when their automobile skidded on the icy road and became mired when it was driven off the road to avoid cracking up shortly before midnight Saturday about two east of Fairfield. The five men were driven to Gettysburg by a passing motorist where they secured a tow truck to extricate their vehicle from the mud.

## Council Authorizes \$500 For Traffic Survey Here By State; Express Misgivings On Outcome

## BURGESS, FIRE, POLICE CHIEFS FILE REPORTS

Borough police were complimented by councilmen Monday evening at the meeting of the council for the "excellent" work done by the police force during January in enforcing parking meter, double parking and similar traffic regulations.

The drive by the police force was reflected in the report of Burgess William G. Weaver, read at the close of the council session, which showed \$483 collected by the borough from 13 parking fines during the month.

Weaver reported receipts of \$2,404.77 including the fines; \$129 for eight building permits; \$1,039 from 20 digging permits; \$413.77 from theater tax and \$340 from the rental of two taxi stalls. Weaver issued eight building permits for construction valued at \$63,300 and 17 digging permits during the month.

### Two Chiefs Report

Chief of Police Jack Bertlett's report showed the officers made six arrests on criminal charges, 30 arrests on traffic charges other than meters, investigated 11 accidents, investigated 190 complaints, provided 13 escorts, gave assistance 49 times to other departments, and found two wallets and one bicycle that had been reported lost or stolen.

Fire Chief Donald W. McSherry reported the fire company was called twice to fires in the borough in which the loss was estimated at \$50 and was called five times during the month to out-of-town fires, traveling 26 miles in the process.

Treasurer John H. Basehore's report showed the town had income of \$5,270.25 during the month and spent \$8,686.92. The current balance in the treasury is \$45,161.39.

## SCHOOL BOARD MEETS MONDAY

Gettysburg school directors at their February meeting Monday evening formally ratified earlier emergency action advancing \$25,000 to the Gettysburg Joint School district treasury so that the teachers' salaries could be paid at the end of January.

Unless long overdue state appropriations to member districts come through before the next pay date for teachers, member boards in the jointure may have to make bank loans to replenish jointure coffers. The question is expected to come up next Monday when the joint board meets.

The brief Gettysburg board meeting, held after the heart lecture at the high school, saw only routine matters acted upon. There was a discussion of legislation pending at Harrisburg and of the proposal now before Gettysburg joint board to increase teachers' salaries.

The monthly report of the school district treasurer, the Gettysburg National Bank, showed a current balance of \$6,028 after expenditures in the last month of \$25,985. The balance a month ago was \$27,310. About \$4,600 was received last month in current and delinquent taxes.

President Ray J. Kitzmiller presided at the meeting with all directors present excepting Douglas Smith.

## WEISER TO GIVE LINCOLN TALK

A 10-minute talk on Lincoln by Fred Weiser, a Gettysburg College Junior, and Lincoln's Gettysburg Address by Fred G. Pfeffer will be part of the program for the Lincoln Day dinner Friday evening at the Hotel Gettysburg.

U. S. Senator James H. Duff will be principal speaker at the dinner over which GOP County Chairman John H. Basehore will preside.

The invocation and benediction will be given by Dr. H. S. Fox, pastor of Trinity Evangelical and Reformed Church, and there will be special music by the quartet from the Gettysburg Lions Club. Mrs. Clarence Bartholomew will be the pianist.

In addition to other ticket sources listed previously, tickets for the banquet may be secured from Harry Stock in New Oxford and George W. Baker in Abbottstown.

### AT TEXAS AFB

Ronald E. Fridinger, 18, son of Mrs. Mary E. Fridinger, 39 Baltimore St., is completing his Air Force basic military training at Lackland Air Force Base, San Antonio, Texas.

## CONCERN ABOUT COST

Council President H. M. Oyer held that "such surveys were made before at no cost to the borough and they still should be made at no cost to the town."

Councilman George Naugle wondered: "How many times \$500 will this survey cost us in the end, what will it show and what will have to be done as a result of the survey?"

At one point in the lengthy discussion, Councilman Jones inquired of each of the other councilmen individually: "Do you think we have a perfect traffic situation in the borough?" Each councilman had to agree that traffic conditions are not perfect. Jones then asked: "Do I understand then that your viewpoint is that traffic conditions are far from perfect but you don't want to do anything about it?" The rest demurred from that viewpoint.

### Foresees Public Hearing

Jones said: "The group is simply going to get facts. It will make no recommendations. In answer to Councilman Naugle's question as to what it is going to cost finally to straighten out our traffic problem, well, my guess is that it is going to cost someone 30 to 40 million dollars, because it costs about \$1,000,000 a mile today to put down roads. I favor this survey because when it is done there will be a public hearing."

"This thing should be started by us so we can have a voice in what is going to happen. We all know something is going to happen. Right now the town is a one-inch main trying to handle the flow from a two-inch main. It can't be done. So we are going to be by-passed, probably. Or perhaps we will wind up with the roads through towns as one lane of two lane, divided highways. I don't know. Nobody knows. The survey will give us some of the answers."

"But we do know that something is going to happen, and probably should have happened ten years ago. If we work in conjunction with the state we have a say. If we ignore the whole thing the state will simply go ahead and do what it wishes. You know the state is planning to rebuild Route 30. Well I think we should be in some position to have some say in where it is to go, whether a mile north or a mile south, or where."

### Asked By Planning Commission

Councilman John Millard held, "We set up a planning commission. They say they need a survey to do their work. Are we going to give it to them or not?"

Jones observed that the state survey would give the planning commission most of the information it would obtain from a \$15,000 survey made by private engineers.

Finally, the councilmen voted to provide the \$500 toward the state survey.

DR. DOCHERTY SAYS BELIEF COMES FIRST

"Believing is seeing—a radiant, new life, attainable by all, only through a man called Jesus." This was the thesis presented by the Rev. Dr. George M. Docherty in Christ Chapel of Gettysburg College today. Dr. Docherty, pastor of the New York Ave. Presbyterian Church, Washington, D. C., made this use of the old maxim "Seeing is believing" in one of his three talks given as a part of three-day religious emphasis program, an all-campus event. Dr. Docherty succeeded Dr. Peter Marshall in March, 1950, at the New York Ave. Church.

Explaining this totally new dialectic presented by Jesus Christ, "Believe first, then you will see," Dr. Docherty outlined four stages of the spiritual pilgrimage of all souls. He illustrated each stage with healing the blind man, who having been anointed with spitte and dust by Christ and told by Christ to wash in the pool of Siloam, was cured of his blindness.

"The first stage is the 'Why.' This is the sophomore stage in which one asks questions. Christ placed spittle and dust upon the eyes of the blind man and ordered him to wash in a certain pool. There are certain situations in which you don't argue. Jesus presented us with a new dialectic, 'To believe is to see.' Do this, but don't argue. You cannot argue your way into salvation."

**Final Stage Is Adoration**

"The 'How' is the second stage. We see the blind man walking through the streets. People wonder how he could see again. He answered, 'I don't know, I was blind, but now I see.' It is true with us too. A deep experience is something you cannot convey to someone else."

"Stage three is the 'Who' phase of the experience. In the case of the blind man, a man called Jesus did it. And right down through the ages it was Jesus who spoke to all men asking them to follow Him. 'Look unto me and be ye saved.' We cannot know the radiance of such a new life except through Jesus."

"The fourth stage is adoration and the cognizance that only worship can reveal belief to you. When the blind man is cured, he asks 'Who is He that I might believe?' Jesus answers, 'Thou hast now seen Him. It is he that talketh with thee.' The blind man then falls to his knees and worships his Lord. Worshiping is seeing the living, resurrected Christ. We may see, but the problem is that we may still be blind. Only by believing first will we be led to light and sight and will, therefore, be born again into the world of spiritual reality."

INSTALL NEW OFFICERS HERE

Two hundred and fifty persons, members of neighboring Veterans of Foreign Wars and their wives, attended an initiation service for 39 candidates of the Adams County Post 57 Sunday afternoon at the VFW post home, E. Middle St. Presiding and serving as installing officer was Luther F. Riffle, York, grand chief of staff of the state organization.

The initiatory work was by a York Cootie degree team. A roast beef dinner was served following the ceremonies. Entertainment during the meal included vocal selections by the Royal Williams, accompanied by Nick Nicholas, pianist, both of Carlisle. Guests at the affair were from York, Hanover, Chambersburg, Lemoyne, Harrisburg, Hagerstown, and Washington in addition to local members.

The new club has a two-fold purpose: to assist hospitalized servicemen and "to have fun." The officers are Allen Moul, East Berlin, commander; Charles Bridinger, Littlestown, senior vice commander; Melvin Baker, East Berlin, junior vice commander; P. D. McDermitt, Gettysburg, quartermaster; Robert Hall, Littlestown, chaplain; Earl Weaver, Littlestown, judge advocate; Earl Keefer, Littlestown, surgeon; J. E. Kerrigan, Gettysburg, historian, and John Rummel, commander of Gettysburg Post 15; Paul Hunter and Charles Altland, both of East Berlin, trustees.

**TRUCK HITS CAR**

It was incorrectly reported to the Gettysburg Times Monday that Miss Janet Golden, 17, York Springs, drove into the rear of a truck operated by Roderick Davis, 23, Toronto, Canada, near York Springs in an auto accident Saturday. Miss Golden's car was ahead of the truck and the truck struck the rear of her car as she sought to make a right turn.

**MARKET MIXED**

NEW YORK (AP) — Passage of the natural gas bill upped prices moderately among natural gas and pipe lines issues on the stock market in early afternoon today. But the market as a whole was mixed in fairly active trading. Most gains and losses ranged from fractions to around a point.

News Briefs

HARRISBURG (AP)—A bill requiring approval of voters before the State Public School Building Authority or a municipal authority may proceed with a construction project went back to a Senate committee last night apparently to be killed.

The bill's sponsor, Sen. Watkins (R-Delaware), went along with the action but affirmed that he still favors giving the people "the right to vote on any issue."

HARRISBURG (AP)—A bill to set up a pension fund for police forces with four or more men in boroughs, towns and townships fell four votes short of passage in the Senate last night. The vote on the House-passed measure was 22-11.

TUSCALOOSA, Ala. (AP)—The angry mobs which exploded into numerous acts of violence yesterday to win exclusion of a Negro student from University of Alabama classes were missing today as the school went quietly about its business.

Many Alabama State Highway patrolmen were about the campus with nothing to do as news spread the university board of trustees had excluded Autherine Lucy, 26-year-old Birmingham secretary, "until further notice."

WASHINGTON (AP)—Secretary of State Dulles said the United States would be disposed to respect the protests of countries which—like Russia—have objected to flights by American weather balloons over their territory.

At the same time, however, Dulles told a news conference he believes this country has the right to send such balloons anywhere in the world.

## Littlestown JAYCEES TO HOLD BENEFIT VARIETY SHOW

The Littlestown Junior Chamber of Commerce will sponsor a Variety Show on February 24 and plans for the event were furthered at the semi-monthly dinner meeting of the Jaycees held on Monday evening at Schottie's Hotel.

The Variety Show will be presented for the benefit of the Memorial Field bleacher fund on Friday, Feb. 24, 8 p.m., in the Littlestown High School auditorium. The program will include numbers by the Gettysburg Lions Quartet, Littlestown Jaycees Chorus, and vocal and instrumental selections. A reserved seating chart is on display at Marvin's Cut-Rate Store, S. Queen St. Details concerning the show will be announced in the near future.

Marvin F. Breighner, president, presided at the meeting last evening. Billy R. Koons was welcomed into membership. James Zulick, president of the Littlestown High School student body, and president of the LHS Senior Class, was the guest of the Jaycees for the evening. Zulick expressed thanks to the group for being invited to the meeting, and told the Jaycees that he plans to pursue a career in electrical engineering.

**Plan Music Fete**

It was announced that the Jaycees' basketball team will oppose the local high school faculty in a contest scheduled for Monday evening, February 20, in the high school auditorium. Proceeds from the game will go to the LHS letter and sweater fund. The committee on arrangements for the game is composed of Samuel J. Snyder, Harold O. Sentz, Arthur E. Bair Jr., John Sweeney and Thomas Bucher.

The Junior Chamber of Commerce will sponsor a summer music festival again this year. The following general committee was appointed: Richard D. Thomas, general chairman; L. Robert Snyder, corresponding secretary; John F. Feaser Jr., advertising; Gerald W. Daley, publicity; William R. Keefer, field committee; Francis Gerrick, ticket; Billy R. Koons, refreshments; Marvin F. Breighner and Albert J. Bair, advisory committee.

The next regular meeting of the Jaycees will be held on Monday, February 27, 6:30 p.m., at Schottie's. This meeting will be one week late due to the basketball game on February 20.

### "THE EVIL EYE"

Perhaps it's superstition . . . I cannot truly say . . . but it's been said an evil eye . . . most always brings dismay . . . malicious glances foster . . . a heap of doubt and fear . . . they have a way of telling us . . . an enemy is near . . . oft-times when least expected . . . we run into the stare . . . of one who for some reason . . . compels us to beware . . . it could be guilty conscience . . . but I am prone to think . . . the evil eye is cast by those . . . who have a jealous kink . . . whatever is the motive . . . it does no earthly good . . . to spread uneasiness about . . . instead of brotherhood . . . so when I feel the somberness . . . of someone's evil eye . . . I merely look around and smile . . . then watch the clouds roll by.

hope that as medical progress is made through research, individuals throughout the land can benefit. She told of her more than 25 years of work and study in the heart clinic at Johns Hopkins where she developed the surgery to save "blue" children.

She described outstanding "firsts" in heart surgery there as congenital malformations were corrected or offset by the skill of Dr. Alfred Blalock, Johns Hopkins surgeon. Dr. Taussig does not operate but makes clinical studies, diagnoses and suggestions on surgical strategy.

### Praises "Team Work"

She told how a newspaper-wrapped gift from America to a French home in 1945 led to the helping of a "blue" child in France when a news item in the wrapping paper brought word of the Johns Hopkins "miracle operation" to a French village.

Dr. Taussig, one of the outstanding women in American medicine, has been decorated in this country and in France and Italy for her work in cardiac surgery and has been showered with honorary degrees. She stressed the progress that has been made in cardiac surgery and study by "team work" that includes physician, surgeon, lab technician and all other agencies that have helped in the work. She pointed to the fight against rheumatic fever as an example of the progress being made against heart diseases.

After Dr. Taussig's address, a brief question and answer period was conducted by Dr. C. H. Johnson.

### Cites Services in County

The Gettysburg High School choir sang four selections under the direction of Paul Grove as the program opened at 8 p.m. There was a 10-minute film on the heart and blood circulation.

The Rev. Mr. Held told the audience the county heart organization is "extending its arms farther each year." He continued: "We consider education an important part of our program. Each year we send a nurse to a cardiac school and we are always ready to help people who can't carry alone the burden imposed financially by heart diseases. We have given help with operations, medicine and hospitalization. We have distributed 6,000 bicillium tablets at a low cost. We conduct a rheumatic fever clinic at the hospital where more than 200 throat cultures have been tested.

"We need more hospital beds than the 28 we now have in use with an investment of nearly \$6,000 and we are planning a nurses' seminar in the spring." He announced the community health fair planned here in March.

During the dinner hour in the cafeteria, the Rev. Mr. Held presided. Judge W. C. Sheely spoke briefly on "Community Service" and two representatives of the state heart association who set up educational heart displays in the auditorium lobby were introduced. They were Charles Mears, executive secretary of the state association, and Brian O'Connell, a state field representative. Both spoke briefly.

The cafeteria staff served a roast pork dinner.

### SEES EARLY ROBINS

Mrs. John Whitman, wife of Justice of the Peace John Whitman, Gettysburg R. 2, saw one of the first harbingers of spring on Monday. While feeding the birds, which is her custom during the winter months, two robins appeared in her yard.

Bill Werber, son of the former major league third baseman, will work out with the Cincinnati Redlegs in Tampa this spring. The former Duke University star is an outfielder and a first baseman.

## LIONS' AMATEUR SHOW APRIL 12 AT HIGH SCHOOL

The Littlestown Lions Club has set the date for the eighth annual amateur show for Thursday, April 12. The show will be held in the Littlestown High School auditorium, and details will be announced later. The committee chairmen are: General, Bernard M. Selby; program, Holman L. Sell; refreshments, Walter C. Myers; stage, Charles E. Tressler; tickets, John H. Riley; contestants, Chester S. Byers and Marvin F. Breighner, co-chairmen. Each chairman will choose the members of his committee.

At the Lions meeting last week, a contribution of \$25 was made to the March of Dimes.

The Lions Club will have a joint meeting with the Littlestown Rotary Club when the clubs entertain the local Boy Scouts at a dinner meeting and program in Redeemer's Reformed Church social hall on Tuesday evening, February 28. This is an annual affair.

The next regular meeting of the club will be held Thursday, February 16, 7 p.m., in St. John's Church social hall.

The Lions district governor will pay a visit to the local club on May 3.

### Scouts Place Displays

In observance of National Boy Scout Week, the local Cubs and Boy Scouts have arranged window displays. The Cubs have their displays in the two show windows of the telephone office on S. Queen St., featuring numerous crafts, both wood and leather. There are several collections, including sea shells. Scrapbooks are displayed as are items covering the various activities of the Cubs.

Boy Scout Troop 84 has a display arranged in the show window of the John L. Redding barber shop on S. Queen St. Each patrol in the troop has an arrangement of crafts and other items.

The Methodist Youth Fellowship of Centenary Church met on Sunday evening at the church, with Larry Yohn in charge of the program. Plans were made to sponsor a paper drive on Saturday, February 18. Anyone interested in giving paper for the drive is asked to contact George Harner, the adult counselor. Preliminary arrangements were made for the group to go to the ice capades in Hershey on Sunday, February 26. The MYF will meet again on Sunday at 6:30 p.m.

### Rev. Leeming Preaches

"Reversed Religion" was the subject of the message delivered by the Rev. Arthur E. Leeming, superintendent of the Hoffman Orphanage, near Littlestown, at the union vesper service held on Sunday evening in St. Paul's Lutheran Church. The guest speaker was introduced by the Rev. William A. Ellsworth Jr., pastor of St. James' Evangelical and Reformed Church. The Rev. Mr. Leeming based his sermon on the story of temptation, and said that "Satan reverses the order of things and speaks first of bread and last of the spirit, while in Christ's answer he speaks first of the spirit, then man and last the body."

The host pastor, the Rev. David S. Kammerer, presided and read the Scripture, gave the invocation and made the announcements. Prayer was offered by the Rev. Mr. Ellsworth. St. Paul's Senior Choir led the congregational singing, accompanied on the organ by Mrs. Winfield A. Lippy. The worship concluded with the benediction pronounced by the Rev. Mr. Leeming.

The Rev. Fred C. Stiner, pastor of First Methodist Church, Hanover, will be the guest speaker at the union service next Sunday at 7:30 p.m. in Christ Evangelical and Reformed Church. The Rev. Joseph Wood, pastor of Centenary Methodist Church, will introduce the speaker. The worship will be in charge of the host pastor, the Rev. G. Howard Koons.

Littlestown Aerie No. 2226, Fraternal Order of Eagles collected \$317.85 for the 1956 Infantile Paralysis Fund at the dance held on Saturday night at the FOE Home, W. King St. Over 200 persons, members and their guests, attended the annual benefit dance. Music was provided by Lynn Fisher and his orchestra. Special awards were presented at the dance, and were received by the following: Melvin Spangler, E. King St.; Carl Zeigler, Littlestown R. D.; Benjamin Slaybaugh, Harney, and Thomas Riffle, Taneytown.

### STILL BEHIND BARS

FRANKFORT, Ky. (AP)—The governor's office says a moonshine still has been found at La Grange State Reformatory.

### DANCE FLOOR DISCOVERY

DALLAS, Tex. (AP)—Billy R. Granger reported to police somebody stole a pair of pants, sports shirt and shoes from his car outside a dance hall.

A couple of days later, police were making a routine check of the place. Granger was there. Suddenly, he turned and pointed to a youth on the dance floor.

"My clothes," he said. "They were."

## A/3C E. Kline In Army Celebration

Army Specialist Third Class Evan D. Kline Jr., Littlestown, recently took part in the 510th Field Artillery Battalion's organization day celebration in Germany.

The program included a basketball game between officers and enlisted men, physical fitness competition and weapons drill.

Kline, a radio operator, driver and mail clerk in the battalion's Battery A, entered the Army in July 1954 and completed basic training at Camp Gordon, Ga. He arrived in Europe in December 1954.

Kline was graduated from Littlestown High School in 1951.

### FIGHT IN BOSTON

BOSTON (AP)—Larry Boardman, a 19-year-old from Marlborough, Conn., goes against world lightweight Champ Wallace Smith of Cincinnati in a non-title 10-round bout tonight in Boston Garden.

Boardman, winner of 30 of 31 pro fights, is subbing for Tony De Marco against Smith, De Marco, ex-world welter champ, withdrew because of illness and the match was rescheduled for March 5.

## Out Of The Past

From the Files of the Star and Sentinel and The Gettysburg Times

**FIFTY YEARS AGO**  
**Surprised On 70th Birthday:** In honor of the 70th birthday anniversary of J. P. Houck a surprise reunion was tendered him, Thursday of last week at his home in Heidelsburg, by his wife and children. The first reunion ever held in the Houck family, out of a family of ten children, eight are living, who attended the reunion. Those present were: J. F. Houck and wife, W. S. Houck and wife, of that place, J. S. Raffensperger and wife, of Hanover, E. H. Shaffer and wife, of York, C. E. Diehl and wife, of New Oxford, H. R. Houck and wife of near town, and Grace and Erma at home. Grandchildren were Verna Raffensperger, John Houck, Ivory Shaffer, Frank and Ward Houck.

**Celebrated Golden Wedding:** Just a half century ago last Wednesday, January 31st, Mr. and Mrs. Peter Epley, of Straban township, were united in the holy bonds of matrimony in Hanover by the Rev. D. P. Rosenmiller. Mrs. Epley's maiden name was Catharine Hoffman.

The golden anniversary was appropriately celebrated at the Epley home. All of the eight children — five sons and three daughters — born to this aged couple were present, together with 16 grand and 2 great-grandchildren. The total number to enjoy the occasion was about 45.

**Fell On Ice; Injured Knee:** Miss Ruth Buehler met with a painful accident while skating on Rock creek Monday afternoon. She fell on the ice dislocating her left knee. Fortunately in attempting to get to the bank of the creek the dislocated parts were in some manner forced back to their proper positions. Miss Buehler was brought home and at this writing is getting along nicely.

**Dr. Valentine Improving:** The many friends of Rev. Dr. M. Valentine will be pleased to learn that he is gradually improving. He was taken suddenly ill last Wednesday evening and after was stricken with paralysis. For a time his condition was extremely serious. All of the children were summoned and arrived here the following day.

**Aged Lady Meets With Accident:** Mrs. Louisa Linah, who resides with her daughter, Mrs. J. L. Sheads, fell Saturday afternoon and broke one of the small bones of the right ankle. Dr. Hartman is the attending physician.

**This Ground Hog Saw His Shadow Sure:** While Martin L. Baker, constable of Liberty township, was engaged in plowing last Friday — Ground Hog Day — he unearthed one of these animals, and after a scrap with his dog the ground hog was killed. Mr. Baker is certain the hog saw its shadow but its appearance in the sun being due to the fact that he was uncovered, counts for naught as regards the weather for the next six weeks.

**Wagon Completely Demolished:** Two horses attached to I. J. Grenoble's milk wagon became frightened at a shifting freight train Saturday afternoon while standing in front of Col. E. Spangler's residence, Carlisle street. The animals wheeled around and upset the wagon. John Riley, the driver, made his escape by jumping from the wagon. The horses, after running a short distance, were caught. The wheels of the wagon were demolished and the body broken into kindling wood. The milk was lost and the cans badly damaged.

**Personal:** Mrs. Guyon H. Buehler was called to New Haven, Conn., yesterday by the death of her aunt, Miss Caroline S. Edwards.

Dr. and Mrs. H. M. Hartman were in New York last week where they attended the wedding of one of the Doctor's classmates, Dr. Thomas Glasgow. McClean Stock, Esq., accompanied the York basket ball team to this place Tuesday evening. Norman McPherson, of Pittsburgh, spent last week with his

## Today's Talk

**HUMANIZED BUILDINGS**  
The buildings of a town have a great deal to do in describing the character of the people who live there. Here in America, where there is such a mixture of races and nationalities, many of the characteristics of the Old World have been introduced into the New. I have always loved the buildings in New England, for they suggest a thriftiness and love of neatness. I have noted that most buildings are in good repair too. And when you meet the people in these towns you immediately feel that they belong there.

On the other hand, there are buildings that show age, and some of them neglect, like the old mills and farm houses. Buildings are just like people — most of them show their age. But there is a human quality about all buildings, old or new, that is unmistakable. That's why so many have bought these old structures and modernized them, and in the process, humanized them.

Brought up in small Midwestern towns, as I was, little changes went on over the years, so that all buildings, whether of homes or otherwise, took on character. The grist mill, the glove factory, the school building and the churches all had an overall look that set the town apart. In the modern city, however, changes are forever going on and these are a tearing down and rebuilding.

In traveling by car about the country there are any number of buildings that look tired and sick. Many are vacated and show ragged edges because of neglect. But just note a dog running out from somewhere and you immediately get a mental lift, and think of all the possible events that have transpired in such a place. It becomes humanized!

## The Big Decision

Will The President Run Again?

**Editor's Note:**—As the day for President Eisenhower's decision on a second term approaches, the nation finds itself in a situation without precedent in the history of the presidency. Here, by a Pulitzer Prize-winning correspondent, is the first of four stories dealing with various aspects of the decision, the factors by which it will be influenced and the effects it will have on the nation.

**By RELMAN MORIN**  
WASHINGTON (AP) — President Eisenhower is rapidly approaching his personal "D-day." And for this political capital, it will end a guessing game of unparalleled magnitude.

Eisenhower's decision on whether he can and will run for a second term presumably awaits only one thing now — the findings in his next physical checkup. For a particular reason, this will be an unusually important examination.

Its purpose is to determine, as accurately as possible, how Eisenhower has stood up under the massive weight of the presidency after a full month at work. Next Thursday marks the end of this month.

**Needs More Time**  
The President's personal physician, Maj. Gen. Howard Snyder, told reporters, "No man who is just 4½ months past a heart attack is in a position yet to determine his own physical fitness. He should have more time — all the time he needs."

Snyder said, however, that he hopes to complete preliminary tests Feb. 13 with the rest of the examination the next day.

Then the President plans to take a brief rest, probably in a secluded forest lodge near Thomasville, Ga. Eisenhower may work out his decision there — and quickly. "I hope I am not going to dilly dally too long about it," he said.

Some observers in Washington believe he already knows what he is going to do, but others who are close to him are convinced that he has made no decision. The President himself says he has not, and that he will "make the announcement as quickly as a decision is firmly reached in my mind."

**Capital Awaits Word**  
Meanwhile, the atmosphere in the capital is electric with speculation and debate, gossip, wishful thinking, rumor and undercurrents of anxiety and expectation. It is very much like the feeling in a courtroom when the jury is about to come in with the verdict.

If there is a majority guess, it is that Eisenhower will not run. But the people who feel that way today usually add, "Last week, I thought just the opposite." So do those who now believe he will run.

When you ask what brought the change of mind, people usually answer, "Well, when he said the other day that —"

Eisenhower has discussed the subject in many ways. "I have to guess as to the next five years. . . My mind is not fixed to such an extent that it can't be changed. . . Where does the sense of duty point? . . . My future life must be regulated."

The remarkable fact is that his political friends and foes both find comfort and reassurance in these remarks.

**GOP Interpretation**  
The Republican interpretation: "In effect, he's saying to the people, 'Here's my condition. Now if you want to vote for me, I'm available.' He's being perfectly honest about the situation."

The Democratic view: "He's made up his mind not to run, and this is paving the way for the announcement."

Never in the history of the presidency has there been a situation quite like this one. It is normal for a president to play cat-and-mouse with his decision. But in this case, the uncertainties that arise from a heart attack have added the X-factor.

**Many Depend On Ike**  
From Washington, the hopes and anxieties spread across the whole of America.

## Daughter Of Ex-U.N. Secretary Weds Yank

GREENWICH, Conn. (AP)—Trygve Lie's daughter Guri and William Zeckendorf Jr. arrived here Sunday night after their secret marriage in Winchester, Va.

The couple came from New York to visit the groom's father, head of the real estate firm of Webb & Knapp and a promoter of big building projects across the country.

In New York, where they visited Zeckendorf's mother, the bridegroom said they married in the manner they did Saturday because they merely wanted to save time and "avoid complications."

Young Zeckendorf said his wife's parents are in Norway and his parents are divorced. His mother is now the wife of music critic Irving Kolodin.

Both Zeckendorf and the daughter of the former United Nations secretary general are 27. It is the first marriage for both.

## LOW HAZARD

HELENA, Mont. (AP) — A 12-foot cast iron marker on the U. S. Canadian border will be removed because it is a hazard to aviation. Frank Wiley, Montana aeronautics director, says the marker will be replaced by a bronze plaque laid in concrete. The exchange has been sanctioned by the International Boundary Commission.

## FOR THE BIRDS

CHARLESTON, W. Va. (AP) — A Crow has been fined for shooting a screech owl. The Conservation Department said the \$20 fine was levied on Aideon R. Crow of Wheeling. Screech owls are protected by federal game regulations.

## 12 Die On State's Highways, Three In Fire Over Weekend

**By THE ASSOCIATED PRESS**  
Sixteen persons died accidental deaths throughout Pennsylvania over the weekend—three each in a multicar collision and a fire.

Twelve of the deaths occurred on the state's highways, three in the fire at Clarksburg and one in an industrial mishap.

In addition to the three persons killed in the accident Sunday night on U. S. 40 near Markleyburg, about 20 miles east of Uniontown, 13 others were injured.

The dead were identified at Uniontown Hospital as Mrs. Jean Bittinger, 22, of Grantsville, Md., and her daughters, Donna, 2, and Mary Louise, 5. Mrs. Bittinger's husband, about 30, was among the injured. Of the others involved in the accident—involving three vehicles—James Polan, 19, of Nemaquin, was reported to be the most seriously injured.

**Children Die In Fire**  
The fire which took three lives occurred early Saturday at Clarksburg, about 10 miles north of Waynesburg. Authorities reported Mr. and Mrs. Harry Johnson were visiting with neighbors when the fire broke out in their home and took the lives of their children. The victims were Amelia, 4, Harry, 3, and Manuel Johnson, 2.

Two persons died in a highway accident involving two cars on Rt. 906 a mile north of Monessen Saturday night. They were Frances Snow, 30, and Allen Hall, 48, both of Monessen.

In other accidents:  
**Chambersburgian Killed**  
Henry Federenko, 35, of Wilkinsburg, was crushed to death Sunday while working at the Edgar Thomson works of the U. S. Steel Corp. in Braddock. A section of furnace fell from a crane onto the cab of his truck.

Henry Erdman, 60, of Klingsburg, Shuylkill County, was killed Saturday when his truck skidded on Rt. 28 near Berksburg and struck a fence and pole.

Alan M. Fore, 57, of Chambersburg, was killed Saturday when his car left an icy rural road near Chambersburg and struck a pole.

Two Philadelphia men and an 11-year-old Warren County boy were killed by hit-run drivers.

The Philadelphia victims—killed Friday night—were Henry Grou-

zewski, 60, a city employee, and Marshall Epps, 43.

**Other Accidents**  
On Saturday, Kenneth J. Thomas 11, son of Mr. and Mrs. Lero, Thomas of Stoneham, was run down as he stood along a highway waiting for a bus.

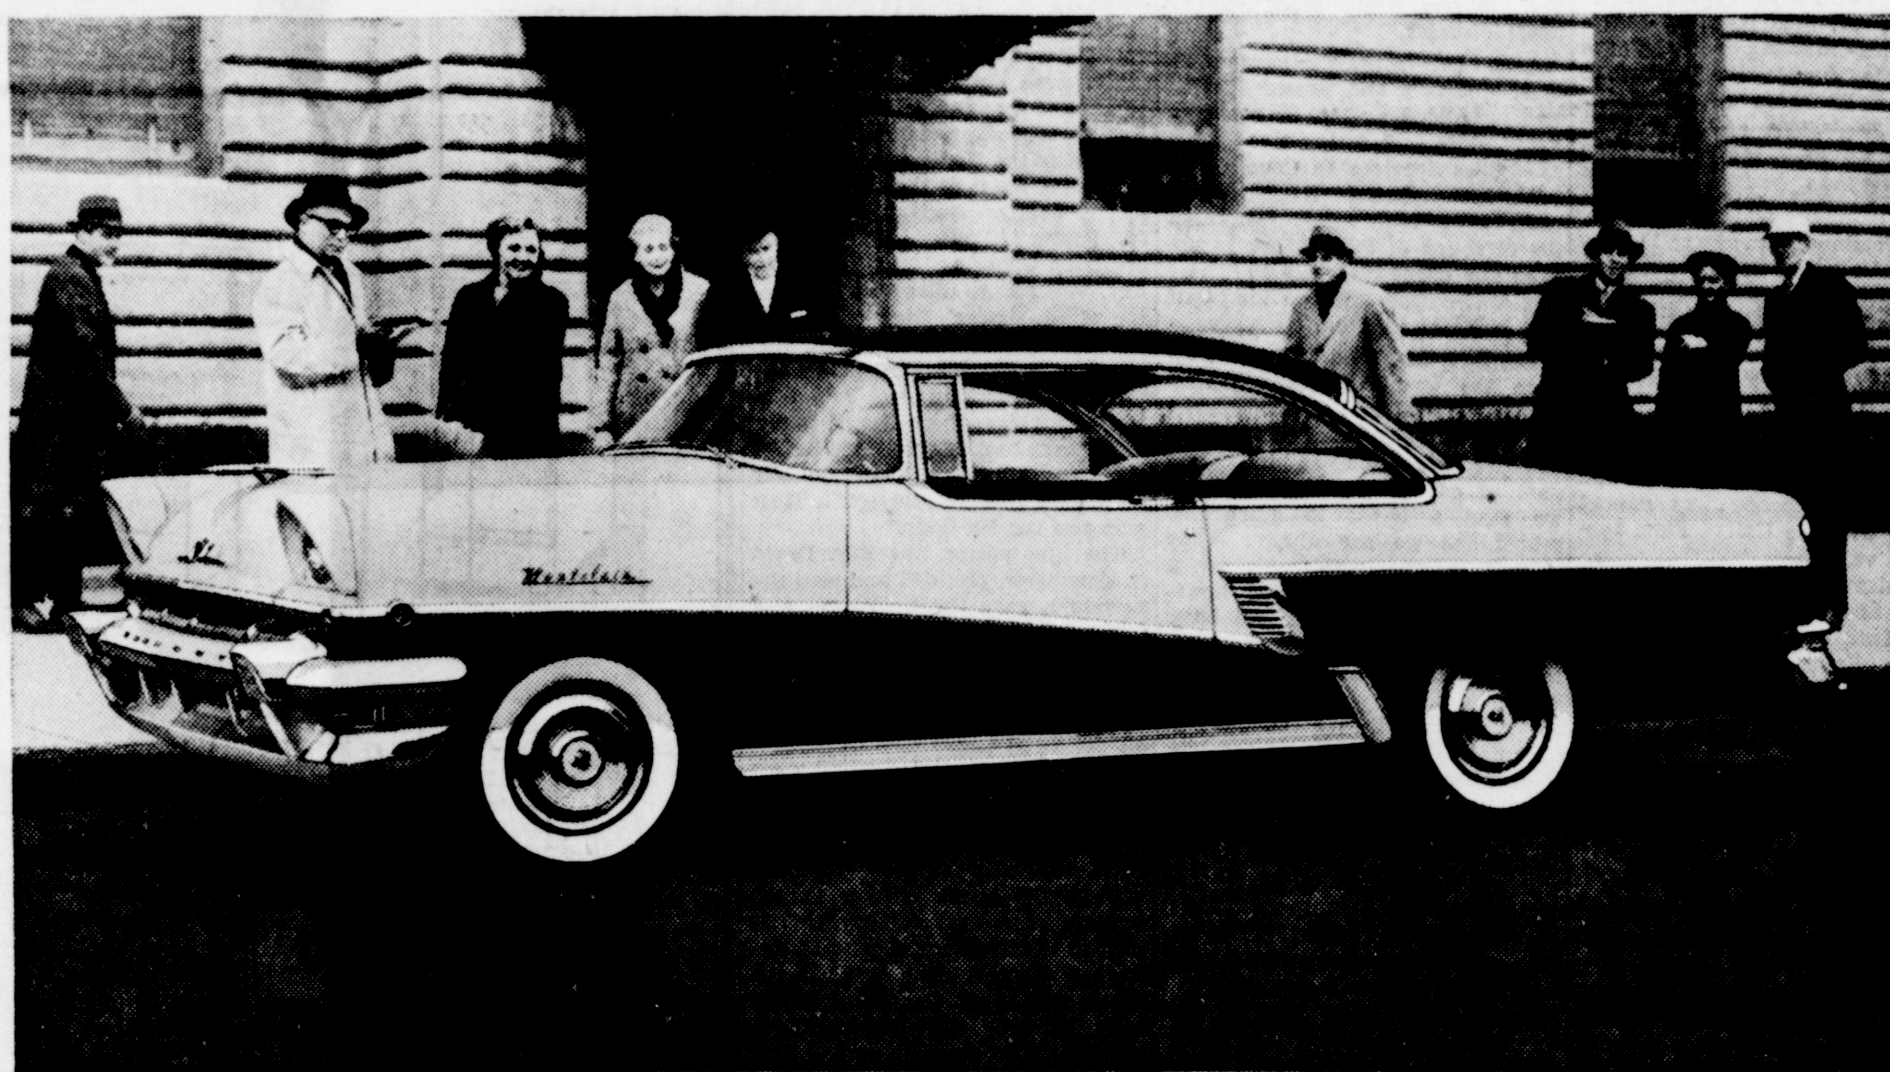

John L. Pipa, Jr., 20, son of a prominent Shamokin attorney, died in the crash of his auto into a pole on the old Berwick road near Bloomsburg early Saturday.

Mrs. Elizabeth Webster, Harrisburg R. 3, was killed in a two-car crash Friday night at an intersection about 10 miles east of the state capital. Four other persons, including two children, were injured.

Although a fall or injury often is cited as a cause for a child's mental deficiency, most experts deny that this is often the case.

## Carlisle Here Tonight To Meet GHS; Bullet Cagers Entertain Mules Wednesday

A pair of man-sized jobs are scheduled for the Gettysburg High Warriors and Gettysburg College Bullets in their home basketball games this week.

Tonight the Warriors entertain once-beaten Carlisle in a South Penn League game while the Bullets met powerful Muhlenberg here Wednesday evening.

Carlisle, defending South Penn title and loser only to Middletown, first half champs this season, comes here with a 13-1 record. The Thundering Herd, with a big strong team led by Clyde Washington, Norm Neff and Lee Castles, all veterans, trounced the Forneyemen 62-45 at Carlisle during the first half.

The Warriors hope to put up stiffer opposition this evening but will have to have a near-perfect game to register an upset.

The junior varsities will meet at 6:45.

**Upset Temple Five**  
Muhlenberg, winner over Temple and Colgate in their late two outings, will be an odds-on favorite against Bob Davies' Bullets here Wednesday night. The Mules, piloted by Birney Crum, have chalked up 12 wins against but four losses as compared to the Bullets' 5-7 collegiate record. Their 67-66 win over Temple last week knocked the Owls from the unbeaten ranks.

Foremost in the Mule lineup are Bob Gall, Cardy Gemma and Denny Roth, lettermen, who have been the top performers during the current campaign. They stand 6-1, 6 and 6-6, respectively.

The Bullet freshmen, 3-3, will meet York Junior College in the preliminary at 6:45.

**County League Games**  
Other games this evening on the scholastic front will include the following Adams County League games: East Berlin (12-6) at Biglerville (5-13); New Oxford (10-6) at Littlestown (14-6); York Springs (2-17) at Fairfield (9-11); and Bolling Springs (19-3) at Newville.

Additional South Penn games to the Gettysburg-Carlisle clash are Waynesboro at Hanover, and Chambersburg at Mechanicsburg. Middletown will play at Hershey Wednesday.

Delone Catholic will attempt to get back into the win column this evening when it opposes Shippensburg High at McSherrystown in a twin bill.

The Biglerville - Mechanicsburg Section 2 wrestling meet at Mechanicsburg headlines the schoolboy program Wednesday night. Bill Krebs' Cannons are unbeaten but will likely find stiff opposition in the fast improving Wildcats.

Grace Kenney's Gettysburg College girls will open a 10-game schedule with a twin bill at Elizabethtown College Wednesday.

**Remaining Contests**  
Other contests listed for the remainder of the week include the following:

Thursday, Delone at Harrisburg Catholic.

Friday, Gettysburg at Chambersburg; Chambersburg Junior High at Gettysburg; East Berlin at York Springs; Newville at Littlestown; New Oxford at Bolling Springs; Biglerville at Fairfield; York Springs Junior High at East Berlin.

Saturday-Gettysburg varsity and freshmen at Lehigh; Bucknell at Gettysburg, 8 p.m. (wrestling); Georgetown at Gettysburg (swimming); Shippensburg State Teachers at Gettysburg (girls' basketball).

## SAN FRANCISCO STAYS IN LEAD FOR NINTH WEEK

**By NICK ELLENA**  
**The Associated Press**

The San Francisco Dons go after their 43rd straight victory tonight with a solid vote of confidence from the nation's sports writers and broadcasters as the No. 1 college basketball team in the land.

For the ninth straight week, the Dons topped the Associated Press poll and their stranglehold on the No. 1 spot at least until the end of the regular season seems secure. Lightly regarded College of the Pacific hardly figures to extend the defending NCAA champs tonight.

Victories over two Loyolas, California and Illinois in the past week solidified Dayton's runner-up spot. The Flyers hold a sizable lead over the third-place Vanderbilt.

The only changes in the select 10 saw Kentucky move up a notch from eighth place by virtue of victories over Auburn and Duke; Temple dropped from seventh to ninth after suffering its first defeat of the season, 67-66, at the hands of Muhlenberg; Duke vaulted from 10th to eighth after turning back North Carolina, and Alabama moved into 10th after downing Georgia Tech. North Carolina dropped out of the top 10.

San Francisco amassed 1,166 points, on the basis of 10 for a first-place vote, 9 for second, etc. The Dons received 74 votes for first.

The only other undefeated major college team, St. Francis of Brooklyn, got only 16th place in the voting.

The leaders, with first-place votes in parentheses:

1. San Francisco (74)	1,166
2. Dayton (5)	856
3. Vanderbilt (5)	755
4. N.C. State (4)	746
5. Louisville (12)	709
6. Illinois (3)	567
7. Kentucky	370
8. Duke (1)	255
9. Temple	226
10. Alabama (5)	187
The Second 10:

16. St. Francis (Bklyn)	99
17. Iowa	77

## VANDERBILT IS UPSET BY 'BAMA 88-61

**The Associated Press**

The South, sub. hasn't been reconstructed after all. Kentucky is as healthy as ever in the Southeastern Conference basketball race now that Alabama has upset ambitious Vanderbilt.

It looked as if Vandy, No. 3 in this week's Associated Press poll, was set to free the SEC from its bondage under Col. Adolph Rupp's Kentuckians. Rupp himself admitted Kentucky's domination was over after Vanderbilt beat the Wildcats in their own lair and bounced off with a 7-0 league mark.

But 'Bama, another upstart, ended that nonsense last night 88-61. It was only Vandy's second defeat in 17 games. Jerry Harper, Alabama's 6-8 center, canned 23 points and Dennis O'Shea backed him with 21 as the Tide rolled up as much as a 32-point lead.

The triumph pushed the Tide into the SEC lead at 6-0. Vandy is in a second-place tie at 7-1 with Kentucky, which rallied to beat Florida 81-70.

The Tide meets Kentucky, No. 7 nationally, Feb. 25 in the fight for the SEC crown and the NCAA berth it commands.

In other conference action last night, Illinois, No. 6, needed some last-minute heroics from Paul Judd to beat Indiana 92-89 and stay unbeaten atop the Big Ten. St. Louis, No. 11, however, saw its nine-game streak snapped by Oklahoma AM 65-63. That cut the Billikens' Missouri Valley record to 6-1 and left them just a game ahead of Houston (5-2).

Kansas state won for the first time in four years at Nebraska 66-52, to bolster its big Seven lead while Missouri was willing Kansas' hopes 85-78. Connecticut stayed unbeaten in the Yankee Conference, making Maine its 19th straight league victim 94-68.

George Washington (No. 19) gained a share of the Southern

## St. Francis Host For Game Tonight

The Corpus Christi school cagers of Chambersburg will meet the St. Francis Xavier School varsity here this evening at 6:45 o'clock.

Announcement has also been made the St. Francis-St. Joseph's double-header, originally scheduled for next Sunday afternoon, has been moved up to Saturday at 2 p.m. on the local floor.

## KID GAVILAN FIGHT TONIGHT

**LONDON (P)—**A 21-year-old Briton who quit his job in an antique dealer's shop to become a fighter steps into the ring tonight against former world welterweight champion Kid Gavilan.

This is the make-or-break fight in the career of unbeaten welterweight match his youth and strength against the experience of the crafty Cuban veteran.

Many experts here think Gavilan is past his prime and that Waterman must win if he is to climb up the world ladder.

Although he no longer even rated among the first 10 in the world welterweight ranks, Gavilan was installed a 3-2 favorite.

"I don't think much of Waterman's chances," shrugged the 30-year-old Gavilan.

Waterman has fought 31 pro bouts. He has 26 knockouts to his credit.

Conference lead with West Virginia by walloping Furman 126-109. Joe Holup passed the 2,000-point career mark with 40.

West Virginia was beaten in a nonleague game 84-69 by Memphis State, which braced its bid for a postseason tournament berth.

Only three other ranked teams were active last night. Once-beaten Temple (No. 9) held St. Green to 19 points and beat NIT-bound Duquesne 63-48 as Guy Rodgers hit 24 points. Oklahoma City (No. 14) defeated Wichita 63-59 with 6-10 Hubert Reed scoring 35. And Iowa (No. 17), the Big Ten runner-up, outlasted Wisconsin 78-74.

## MIDDLECOFF TO SKIP NEXT TWO GOLD TOURNEYS

**DALLAS (P)—**Cary Middlecoff, hottest golfer along the winter trail, goes home to Memphis today to work up his income tax return, finish writing a book and follow a procedure that has put him at the top of his game.

Middlecoff, who became a professional in 1947 and since then has won \$300,000 in prize money, got around to this plan only last year. It consisted of playing two tournaments, then taking out for two. He says he found it helped his golf game immeasurably.

"If you play all the time you get to the point where you think you are doing your best but you're not," commented the golf star last night while in Dallas to speak at a sports achievement dinner. "You get aggravated and edgy. You are likely to fly off the handle at some little reverse and do something that will hurt your scoring. If you take a rest you come back feeling fine and fit and confident and you will win a lot more than if you followed the tournament grind week after week."

Middlecoff, who lives at Memphis but is the playing professional of the swank Riverlake Country Club of Dallas, has won two tournaments—the Bing Crosby and Phoenix—and finished second in another and fourth in still another on the winter tour. He didn't play in the fifth tournament.

He will be out of golf this week at Tucson and next week at the Texas Open in San Antonio but will resume the tour at Houston Feb. 23.

## SLIDE DERAILS B & O TRAIN; ONE PASSENGER HURT

WEST NEWTON, Pa. (AP) — A landslide rolling down from a rain-soaked hillside struck and derailed a Baltimore & Ohio Railroad passenger train moving at an estimated 45 miles an hour early today.

One car was overturned, two others tilted and three more derailed within a few feet of the surging Youghiogheny River. The diesel engine and two cars remained upright on the tracks.

Only one passenger of the more than 100 aboard the train required hospitalization. He was detained at McKeesport Hospital for treatment of possible back and neck injuries. The railroad said he was James S. Stern of Pittsburgh.

**Receive No Warning**  
"There was no warning of the landslide," a B & O official said. He said normal speed for passenger trains in the area was 45 m.p.h.

Train No. 18, eastbound from Cleveland to Baltimore, was rolling through hilly country about 30 miles southeast of Pittsburgh when the accident occurred at 1:25 a.m.

Recent heavy rains apparently caused the landslide that sent tons of rock crashing down the hill, the railroad said.

Rocks slammed into the second car behind the engine with what a B&O spokesman called a "pushing force." Engineer J. E. Hinish of Pittsburgh braked the train to a stop as cars behind him rattled off the rails.

**Blocked By Debris**  
Both mainline tracks and an adjoining siding were blocked by the debris. However, four passenger cars were sent from the road's division point at Connellsville, Pa., coupled to the engine and took passengers from No. 18 aboard to continue the eastward trip.

Following trains in both directions were rerouted over tracks of the Pittsburgh & Lake Erie Railroad with delays running up to 45 minutes. B&O Chief Dispatcher Bill Drum said at Pittsburgh one track would be ready for through traffic at 7 a.m., and both tracks

In Berlin, the League of Free Jurists said Reimann sought political asylum in West Germany because he feared he would be arrested on charges of contacts with "capitalistic elements."

**NEW YORK (AP)** — Sloan Simpson, former wife of ex-Mayor William O'Dwyer, reported to police Sunday night that \$4,750 worth of jewelry and a \$3,000 mink stole had been stolen from her East Side apartment.

in service later today.

Pete Webb, a West Newton resident who went to the wreck scene, told The Associated Press that indications there were that a big boulder had rolled down the hillside and slammed into the middle of the train after the engine and forward cars had passed through the landslide.

"I saw a man and wife and their three children who had remained in their stateroom in one of the derailed cars that was tilted a little. They didn't seem to be concerned."

The U. S. population increased 2,810,000 in 1955.

FBI

DANIEL WILLIAM O'CONNOR

If a heavy-set, barrel-chested stranger offers you a check, scrutinize him carefully for he may be Daniel William O'Connor, a member of the FBI's list of the "Ten Most Wanted Fugitives."

O'Connor is wanted by the FBI for the passing of a succession of fraudulent checks and also as a deserter from the U. S. Army. The Canadian authorities would like to get their hands on Mr. O'Connor for a charge of attempted murder in connection with his assault upon a Royal Canadian Mounted Police Officer.

This fugitive is a man of many names, which is only to be expected in one who is constantly passing bogus checks. Accompanied by his wife and two tiny children, O'Connor travels throughout the United States with frequent forays into Canada.

**Deserted From Army**

Using the name of Clarence William O'Connor, the fugitive deserted from the U. S. Army on May 6, 1955, while stationed at Fort Campbell, Ky. He immediately began his bad check passing racket and also began changing bank money orders, raising them from \$8 to \$80 or \$7 to \$70. He was taken into custody by the Royal Canadian Mounted Police, but while being taken to jail, pulled a .32 caliber automatic pistol from his waist belt, held the officer up and viciously beat him. O'Connor took the officer's revolver, tied him up and left him severely injured in the bushes alongside the roadway. He retained the police car and escaped into the United States. This also

## YOUTH WINS \$100,000 PRIZE

**NEW YORK (AP)** — As he would on any other school day, 14-year-old George L. Wright III returned to the classroom Monday even though he won \$100,000 over the weekend. The young ukulele player, who won television's biggest quiz prize Saturday night, planned to leave St. Agnes High School a little early, however, for a business conference at the Chase Manhattan Bank.

There he and his lawyer, together with producers of The Big Surprise TV show, will discuss terms of the trust fund to be set up with George's TV winnings.

The government will get the biggest slice of the \$100,000. Federal and state income taxes are expected to whittle George's winnings down to about \$25,000.

The freckle-faced youngster also has other decisions to make besides how to handle his money. Since winning the prize, and even before, he has been sought by television, movies, recording companies and the theater.

All that George's father will say about most of the offers so far is that "they are under advisement."

One of the few engagements accepted so far will bring George in front of television cameras again next Saturday night on the Perry Como Show. He will appear with two other boys who play in his ukulele trio.

George, who says he was able

to answer the quiz show questions mainly because "my dad and mom are, awfully smart," had three tries for the top prize.

He missed the first time but got another chance the following week when a "rescuer" in the audience knew the answer to another question and thereby reinstated him.

He got a third chance last Saturday because a question that he

missed the week before was judged to have been unfair. He finally won the \$100,000 by correctly identifying a song as "Me and My Shadow" and singing a chorus of it.

# OWNS LINCOLN'S CARPET BAG, OLD CIVIL WAR RELIC

By BOB HOLTON

PORT TREVORTON, Pa. (AP) — When Levi Fisher died 33 years ago he left a legacy to this central Pennsylvania community — a carpet bag which residents of the area "believe beyond doubt" once belonged to Abraham Lincoln.

Fisher was in an Army hospital near Richmond, Va., recovering from the loss of his right leg during the Civil War battle of Cold Harbor, when he acquired the bag.

**Verifies Story**  
Dr. Donald A. Cadzow, executive director of the Pennsylvania Historical and Museum Commission, says: "The museum would be glad to accept the bag and display it. From the list of persons who claim the bag is authentic and from the historical dates connected with its reported transfer to Fisher, I myself would say the story is true."

Fisher's daughter-in-law, Mrs. Charles Fisher, of nearby Selinsgrove, said Levi Fisher used to give this account of the bag:

**Lincoln Makes A Gift**  
"Lincoln came into the hospital on a visit and saw that pop (Levi) was feeling pretty low about losing his leg and that he did not have any bag in which to carry his personal effects when he would be sent home. The President gave him his own bag and wished him God speed."

The bag is now in the possession of Allen Sechrist, 88, a justice of the peace.

Sechrist says that when Fisher returned home he was without funds and gave the bag to Conrad Petter, a cobbler, in exchange for a shoe for his left foot.

**Becomes Heirloom**  
Petter was Sechrist's grandfather and since that time the bag has been in the family.  
"I have had some United States congressmen and many other people asking me over the years to give the bag to some museum," Sechrist

# Romantic Burglar Steals Kiss, Too

CHULA VISTA, Calif. (AP) — A burglar stole a kiss, Miss Patricia de Vany, 26, awakened by the kiss, said the man also fled with some of her freshly laundered sheer garments which she had hung in the bedroom to dry.

She told police the intrusion and thefts were particularly embarrassing because she is engaged to be married.

**PARKING ACCUMULATION**  
ALBUQUERQUE (AP) — E. Congleton parked his car and returned to find five bundles in it containing three pairs of women's shoes, a pair of cowboy boots and six articles of women's clothing. Police held the items for someone who was confused.

**GRAND RAPIDS, Mich. (AP) —** Fourteen-year-old John Baker plucked a crow from a nest in the woods to bring up as a pet. The crow ate but refused to drink. That worried John, until he turned his water pistol on the crow one day in play. The crow opened its beak and drank, and it insists on all his drinks being squirted from the pistol.

**Denounces Light Treatment**  
"There are too many dates and oral facts known to too many people for the story to be taken lightly," he says.

During the last 30 years the bag has been displayed at various civic events. Older residents of the area are quick to admit they have no written evidence that Fisher came by the bag directly through Lincoln but they say:

"If you knew Levi Fisher, you couldn't help but believe the bag is the real McCoy."  
Fisher was born in 1843 and entered the Union army at the age of 21. He died in 1922 at the age of 80. He served one term as Snyder County treasurer in 1891 and was widely known in the community.

SPORTS CAR JARGON

BALTIMORE, Md. (AP) — Members of the Baltimore Local of the Motor Sports Car Assn., like other small car enthusiasts, speak a special jargon that is difficult for the average citizen to understand.

A hood is a bonnet, a get-together is a rally, and words like tachometer and overhead can split the air.

For the uninitiated, however, some of the Baltimore speedsters have offered a few handy translations: Here are a few:  
R.P.M. — Number of repairs per month necessary.  
M.P.H. — Monthly payments will be heavy.  
B.H.P. — Basis for the high price of sports cars.  
F.O.B. — Prices given in French or British currency.

**CHATTANOOGA, Tenn. (AP) —** Frank Kohler recently reported a tussle with robbers — for the fourth time in his 80 years of life. He said he was set upon by two young men and was thrown to the ground. They got only 12 cents but Kohler lost his glasses and a ring of keys in the scuffle.  
But, he added, "I got in a few good punches."

# Announces For State Senator

DOUGLAS H. ELLIOTT

Petitions are being circulated today for Douglas H. Elliott, vice president of Wilson College, Chambersburg, who has announced his candidacy for the Republican nomination for state senator from the 33rd district (Adams and Franklin Counties).

Elliott, father of three children, is a Navy veteran of World War II. Prior to giving to Wilson College, he was director of public relations at the Franklin Institute in Philadelphia, and was active in the Red Cross, Community Chest, United Fund and Boy Scouts. He was born and reared in Pennsylvania.

In announcing his candidacy Elliott said, "The decision to seek this high office, which is entirely my own, is based on my desire to provide the people of Franklin and Adams Counties the best possible representation in the Senate that I am able to give them."

# Michigan U. Plans For Big Enrollment

ANN ARBOR, Mich. (AP) — The University of Michigan is asking for 99 million dollars over the next five years for new buildings and remodeling of old ones. It anticipates an enrollment of 30,000 within five years. It has 21,000 now; expects 22,300 next year.

GOT HIS GOAT

POPLAR BLUFF, Mo. (AP) — Roger Biesemeyer, a state conservation agent, was surprised when a man called from near Neelyville, Mo., to report he had a deer locked up in his barn.  
"But I got my biggest surprise," Biesemeyer reported, "when I walked into the man's barn. There was the prettiest little billy goat I've ever seen. A 50-mile drive to identify a billy goat!"

BUSINESS IS BUSINESS

OKLAHOMA CITY (AP) — Zeima Barns complained to police that a man she surprised entering the window of a house told her to "mind her own business," went on in and swiped \$25.

American banking started in Pennsylvania—and spread across the Continent!

The first bank in the United States was a Pennsylvania bank—the Bank of North America of Philadelphia, chartered by the Continental Congress in 1781, in Benjamin Franklin's day.

Today there are 843 banks in Pennsylvania, not counting branches, and 14,413 banks in the United States. And American banking started in Pennsylvania!

Pennsylvania banks, through the services they perform for people in agriculture, commerce, and industry, have shared in lots of other great things that started in Pennsylvania and now reach across the continent—the petroleum industry...the steel industry...regular radio broadcasting...motor trucks...and the first real twentieth-century roads, like the Pennsylvania Turnpike.
